

MIDDLE SCHOOL YOUTH MINISTRY

Sundays, 4-5:30pm

6-7th GR – Wonder: Experience the wonder and awe of God through creation, miracles, saints, and prayer. Highlights include a night hike, tour of the Basilica, prayer with Our Lady of Lourdes, fun games, and more!

8th GR – Chosen: See how Jesus called his first disciples and transformed their lives in season 1 of The Chosen. We will compare the show to scripture and our own experiences of being called by Jesus to a life of mission and discipleship.

HIGH SCHOOL YOUTH MINISTRY

Meets Sundays, 6:30-8pm

Some students attend a Catholic high school where they already receive formation and catechesis throughout their school day; others do not. To meet these different needs, we offer two different pathways to Confirmation.

Attend a non-Catholic high school → Join a small group!

Students who wish to be Confirmed their junior year are asked to participate in a high school small group their 9th and 10th grade year. These groups consist of 3 students and one adult mentor with the goal of teaching students to pray on their own, study scripture, hear the voice of God, and respond. Students meet for 45 minutes 2x month, plus they are expected to pray with assigned meditations between meetings. There are also a few “community nights” throughout the year, where all students are together.

Attend a Catholic High School? → Start with Alpha.

This 8-week series is offered every fall and spring. It is designed especially for Catholic High School students, but is open to anyone! Alpha is required before students begin Confirmation prep (Confirmation typically begins in summer between 10-11th grade).

Confirmation Prep begins in April and ends with a November Confirmation Mass. Confirmation is open to any student who has completed a year of small group or a semester of Alpha, is committed to a life of discipleship, attends Mass regularly, and will be 16 by November 1 of that year.
